Subject: Meeting with Midland County Commissioner
Date: 03/02/2010 10:16 AM

Mr. Sanchez just called to tell me his training on the 15th and 16th has been cancelled so he will be able to meet with you then - he suggested meeting with you and Judge Bradford if that is all right or he could meet with you one-on-one which ever you prefer. I told him I would get back to him.

Thanks
